

Checklist for creating a your dream kitchen

Minnesota Cabinets, www.minnesotacabinets.com

What is your lifestyle? Do you spend a lot of time in the kitchen?

Do you eat most of your meals as a family or in smaller groups?

Do you entertain frequently? When you do, is the kitchen the focal point?

What type of special storage needs do you have?

Will you need a sit-down eating area in the kitchen?

Do you recycle?

How much pots-and-pans storage do you need?

Do you like deep drawers or rollout trays?

Do you bake frequently? Do you need a separate lower counter?

Do you store wine?

Do you have collectibles you want to display in open cabinetry?

What type of lighting needs do you have?

Are your children at the age to make things for themselves?

What is the length of your current work countertop?

Do you want a kitchen desk area?

Do you want cabinets to go to the ceiling?

What is your budget?

What are the must haves?

What are the nice to haves?

What look are you going for? Classic, Traditional, Contemporary, Eclectic?

Does your desired style fit well with the remainder of your home?

Do you have appliances selected?

Do you prefer a kitchen that always looks neat and uncluttered? Or do you prefer that your appliances, family photos and collectibles are visible?

This list is just the starting point in creating a dream kitchen. Our designers will efficiently walk you through the design process. They will help you establish a budget and work within it, making selections based on product quality, aesthetics and guidelines that you have mutually determined.
